November 2024

Dear Acton Senior,

Do you know that:

- Acton’s Senior Center, located at 30 Sudbury Road, Rear, has celebrated seven years in our welcoming, comfortable, flexible location?
- during those seven years the population of Acton seniors grew 20%, from 4870 to 5833?
- in those seven years seniors using the center for a wide range of services and activities grew 106%, from 1262 to 2597?
- in the past year the Friends of the Acton COA supported an equally wide range of classes and programs from cooking to comedy to classical music (See a complete list on our website: <https://friendsofactoncoa.com>)?
- since its founding as a 501(c)(3) organization in 1982 our mission has been to secure the funding to provide these offerings free of charge to all Acton seniors?
- our main source of funds is your generous response to this Annual Appeal letter?

Thank you for becoming or continuing to be a partner in both maintaining and enhancing this vibrant resource for education, socialization and entertainment so vital to Acton’s increasingly diverse and growing senior population.

Sincerely,

Norma Wu
