November 2025

Dear Acton Senior,

Do you know that:

- Acton’s Senior Center, located at 30 Sudbury Road, Rear, has now celebrated eight years in our welcoming, comfortable, flexible location?
- during those eight years the population of Acton seniors grew over 20%?
- in those eight years seniors using the center for a wide range of services and activities grew over 100%?
- in the past year the Friends of the Acton COA supported a wide range of classes and programs from cooking to comedy to classical music? (See a complete list on our website: <https://friendsofactoncoa.com>)
- since its founding as a 501(c)(3) organization in 1982 our mission has been to secure the funding to provide these offerings free of charge to all Acton seniors?
- our main source of funds is your generous response to this Annual Appeal letter?

Thank you for becoming or continuing to be a partner in both maintaining and enhancing this vibrant resource for education, socialization and entertainment so vital to Acton’s increasingly diverse and growing senior population.

Sincerely,

Norma Wu
